Secondary School Leaving Certificate Periyar Centenary Memorial Matric HR SEC School with 90.00%	(2017-2018)

PROJECTS

Analysing EEG patterns as predictors of physiological responses:

This project endeavors to contribute to conducting a comprehensive analysis of EEG signals to predict physiological responses in a diverse range of scenarios.

Travel Booking:

Designed and implemented an online Travel Booking using PEGA, an application which can be used by people for booking tickets for flights or buses and also book cabs.

Web-Based Utility Tools:

Developed practical front-end tools such as a Restaurant App, Weather App, BMI calculator, Digital Clock, To-do list, Contact Form showcasing skills in HTML, CSS, JavaScript and React.

Delish Restaurant Web Application:

Built a simple, user-friendly restaurant website using React.js for the frontend and MongoDB for the backend, featuring a login/signup system, a list of food items, and an add-to-cart functionality. This project highlights skills in frontend development, backend integration, and data management.
